

How does LETS work?

We have an online and printed directory where you can list what you would like to offer and also what you want. You get to choose whether any job requested of you is something you want to do.

As a member you will be given an account and access to an online platform to keep track of tokens you earn and the tokens you spend.

Our LETS group is time based.

One hour of work is equivalent to 25 tokens. Everyone's time is valued equally.

What is LETS?

LETS is a Local Exchange Trading System that operates in multiple locations around the world.

MERLETS is made up of individuals from the Melbourne outer eastern suburbs that come together to exchange skills, resources and their expertise in the form of tokens for time.

These tokens can be earned and spent by all participating members.

**Do more of what you love
LET others do the rest**

Who we are

We are a friendly group where lending a helping hand is the name of the game.

Being a LETS member means that you can offer your time to help someone out:

- Drive them to the airport
- Walk their dog
- Run a workshop/class

You will earn tokens that can be used to receive support from others with whatever you need :

- Gardening
- Household jobs
- Learning a new skill

Everyone in our community - including you - has a unique set of skills and expertise.

The possibilities are endless!

Joining together we create a pool of amazing talents which we are happy to share.
